

AGENDA ITEM #VII-B.

COMMUNITY DEVELOPMENT BLOCK GRANT POLICY COMMITTEE

The members of this committee shall be appointed by the governor from names submitted by the chairman of each of the seven associations of governments after executive board action. They are:

- (1) Bear River Association of Governments (Box Elder, Cache & Rich counties)
- (2) Five County Association of Governments (Beaver, Garfield, Iron, Kane & Washington counties)
- (3) Southeastern Association of Governments (Carbon, Emery, Grand & San Juan counties)
- (4) Mountainland Association of Governments (Summit, Utah & Wasatch Counties)
- (5) Six County Association of Governments (Juab, Millard, Piute, Sanpete, Sevier & Wayne counties)
- (6) Uintah Basin Association of Governments (Daggett, Duchesne & Uintah counties)
- (7) Wasatch Front Regional Council (Davis, Morgan, Salt Lake, Tooele & Weber counties)

Each name submitted must be a member of the Regional Review Committee (RRC) constituted at the association of governments level. The Five County Association of Governments Steering Committee serves as the RRC.

The members must be elected officials and can be mayors or county commissioners.

Governor Gary Herbert has requested that members serve only two terms on any given board. Because Mayor Connie Robinson has served multiple terms on the CDBG Policy Committee, it has been requested that the Steering Committee consider alternatives or provide justification for an additional term.
